

1

Draw names of family members so that each person has a pancake to make for another person.

2

Take the time to 'interview' the person you are making the pancake for. Ask them questions like 'what is your favorite fruit, what is your favorite color, what is your favorite flavour'? Then design 'their' special pancake by decorating it with as many options as you are able.

3

Enjoy a breakfast brunch together. Use this time to create the opportunity to bless one another. Have each person bless the one who created their special pancake for them.

This is a great opportunity for family members to get to know each other on a deeper level. It's taking the time to 'come toward a family member' and making them feel 'heard'.
